Introduction:

This program provides participants with a comprehensive understanding of the Occupational Safety and Health (Amendment) Act 2022 in Malaysia. It covers the key changes, legal requirements, employer and employee responsibilities, and practical guidance to ensure workplace compliance and safety management.

Training Methodology:

Interactive lectures, case studies, group discussions, scenario-based exercises, and practical workplace compliance exercises.

Objectives:

- Understand the scope and key amendments in the OSH (Amendment) Act 2022
- Learn the roles and responsibilities of employers, employees, and safety committees
- Apply the legal requirements to workplace safety practices
- Promote a culture of compliance and proactive OSH management

Benefits:

- Improve legal awareness and compliance in the workplace
- Reduce risk of workplace incidents and legal penalties
- Strengthen safety management systems and organizational safety culture
- Equip participants to implement OSH policies according to the amended Act

Course Outline

Introduction to OSH (Amendment) Act 2022

- Act overview, key amendments, objectives, and enforcement roles

Employer & Employee Responsibilities

- Employer duties, employee roles, and OSH participation requirements

Compliance & Enforcement

- Legal compliance, penalties, documentation, and inspection requirements

Implementation in the Workplace

- OSH integration, policy updates, and compliance monitoring
